2.0 RESPONSIBILITY

2.1 Yacht racing can be dangerous. The attention of owners, skippers and crew is drawn to RRS Fundamental Rule 4: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone". The safety of a yacht and her crew is the sole and inescapable responsibility of the owner or owner's representative who must do their best to ensure that the yacht is fully found, thoroughly seaworthy and manned by an experienced crew who are able to sail in bad weather. They must be satisfied as to the soundness of the hull, spars, rigging, sails and all gear. They must ensure that the safety equipment is properly maintained and stowed and that the crew know where it is kept and how it is to be used. Nothing, whether in the Notice of Race or Sailing Instructions or anywhere else, reduces this responsibility.

2.2 Nothing done by the organisers can reduce the responsibility of the skipper nor will it make the organisers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the racing. The organisers encompasses everyone helping to run the race and the event, and includes any appointed organising authority, race committee and race officers.

2.3 Competitors must remain well clear of shipping, which will likely be constrained by draught. Any competitor interfering with shipping will be liable to disqualification from the race.
